In a million years who would have thought we would be in this surreal existence of compulsive hand washing, physical distancing and facemasks? Who could have predicted that grandparents could no longer hug their grandchildren and that school graduations would take place in fields and drive-bys in cars? Zoom has become the latest noun and verb of the day, embraced as necessary while cursed as a poor replacement for face-to-face business, educational and even medical interactions. "How are you doing?" has a whole new meaning actually requiring an answer indicating safe passage in the perilous world of viruses lurking in grocery bags.

So here we are, receiving our Spring Advisory Handbook online much abbreviated as was our sports season. The future is troublingly uncertain, fraught with dire warnings of a second wave and new shutdowns. There is no choice than to batten down the hatches and stay the course. This too will come to pass and we will be stronger for our sacrifices.

Summer is upon us as life opens up in most venues except for those large gatherings that are sport and spectacle related. We have learned a valuable lesson that family is indeed everything when all else seems to crumble. Embrace the blessings that we do have these days. Strength issues from love and support no matter the form it takes.

On behalf of the SSIAA Executive please accept our best wishes for a warm, sunny, healthy summer vacation filled with good friends, great food, happy family outings and safe physical activities. Savour the precious moments while you can to look back on when things are at their darkest. Until we meet again to share actual hugs.

CONVENOR'S END OF SEASON REPORT

SPORT : GOLF

CONVENOR : O. Giocondese

SCHOOL: CRHS

PARTICIPATING SCHOOLS: (33 Students) 40 last year!

Heritage, Centennial & SLI

RESULTS:

JUNIORS

1st HRHS

SENIORS

1st HRHS

2nd CRHS

Individual:

Senior Female : CRHS – Kristina Rigault

Junior Female : SLI – Leena Elwahidi

Senior Male : HRHS – Samuel Brace

Junior Male : HRHS – Parker Cain

RECOMMENDATIONS:

This year's Tournament was held at Rive-Sud Golf Course. We had a good turnout with 33 participants from 3 schools. If possible, we should always schedule the SSIAA tournament the 3rd week of September. Gives Coaches time to select their team.

A big thank you to Mike and Steve for their help on the course. They really made a difference in making the tournament run smoothly. It was also great to see so many parents helping out on the course.

ALL levels played from the Red Tees this year. Majority of groups were playing the front nine in about 2 hours. Perfect!

Thanks for another great season!

Convener's Comments:

Thanks to CRHS and SLI for participating in this round robin for the first time ever (for bantam girls soccer) and for bringing referees.

Correspondence:

Done through emails.

Results:

Teams	GP	W	L	T	GF	GA	DIFF	Points
HRHS 1	4	4	0	0	40	2	+38	12
HRHS 2	4	3	1	0	30	3	+27	9

CRHS 2	4	1	3	0	8	21	-13	3
SLI	4	0	4	0	0	44	-44	0

Recommendations:

Levels of play are drastically different between all 3 schools. I do not recommend or think it is necessary to have a bantam girls soccer tournament.

Bantam Soccer Convenors Report 2019/2020

Heritage was pleased to host the Bantam Boys Soccer Tourney for the 2nd year in a row. There were 6 teams, over 90 athletes, 2 pools of 3 teams. The day saw some competitive soccer and more importantly great weather. Included in the report is the schedule, the scores, expenses and finally a wrap up.

Wrap Up

-11 games – 10\$ per game = 110\$

-Thanks to the student refs. It is not easy dealing with parents, kids and coaches sometimes.

-Centennial inquired about possibility of adult for Finals but at 10\$ a game ????. Of the officials who refereed that day 3 were carded...i.e they ref in city leagues at this level or higher (Intercity).

-1 red card issued to Cent player for verbal abuse. Handled quickly and efficiently by Centennial. Missed next game.Thanks.

Overall a great day with some competitive scores, unlike years past. I chose not to go with a round robin as in years past as it lacks the interest and excitement of a final. I also set up the schedule so there would be a final and therefore medals for both teams. Well received by kids. In future this would be the way to go. With the crossover 4 of the 6 teams played 4 games, 2 of the 6 played 3.

SSIAA JUNIOR and SENIOR BOYS SOCCER 2019

Convener: George Karygiannis

Participating Schools: HRHS,CRHS,CVR and SLI

Games played: 15

Student-Athletes: 95

Convener's comments: A final gold medal game format was implemented for the seniors. The juniors competed in an aggregate format but no banner was awarded because there were only 2 teams participating.

JUNIOR BOYS STANDINGS:

SCHOOL	GP	W	L	T	PTS	GF	GA	YEL	RED
CENTENNIAL *	2	1	0	1	4	4	1	2	0
HERITAGE	2	0	1	1	1	1	4	1	0

*CRHS wins in aggregate 4-1

SENIOR BOYS STANDINGS:

SCHOOL	GP	W	L	T	PTS	GF	GA	YEL	RED
HERITAGE	6	6	0	0	18	37	5	2	0
CENTENNIAL	6	4	2	0	12	23	10	0	1
CVR	6	1	5	0	3	3	19	3	0
S.LAMBERT	6	1	5	0	3	5	34	2	0

Final: SENIOR HRHS 5 CRHS 1

Recommendations: We should encourage more schools to join the league at the junior level. The final gold medal game format has made the senior league more exciting.

S.S.I.A.A. Curling League 2019-20

Conveners Report

Participating Schools / #Teams

Centennial – 4 / Heritage – 1 / St Lambert I. = 2

Format = Round-Robin Seasonal schedule with Play-Off Finals

(approx.. 45-50 coed participants)

Despite the Pandemic , we were able to complete our 2019-20 Curling League schedule according to our pre-season plans ! Seven teams competed in weekly games and practices starting in early November through the finals in late February ! Games and practices continue to be played with the cooperation and blessings of the St Lambert Curling Club ! Our working arrangement with the Club has now spanned over 15 years ! Although some of our playing/practice dates are occasionally cancelled because of lucrative outside rentals and /or “snow days” we have a flexible calendar of dates throughout the four winter months to comfortably complete our needs !

In this years championship finals , Centennial’s “A” team defeated Heritage’s “A” team to capture the S.S.I.A.A. Banner and Medals !

Costs to our schools (for Ice Rental Fees) and consequently participation costs for our individual curlers have continued to remain very reasonable throughout the years , thanks to the Club !

We look forward to maintaining our League in 2020-21 , if all goes well in the SSIAA / school calendar for next year ! Great job coaches !

Respectfully submitted ,

Bruce Thomson - Convener

Convener's End of Season Report 2019-2020

Sport: Singles, doubles and mixed doubles badminton

Convener: Steven Chan and Melanie Hughes

Participating Schools:

Girls: HRHS, CRHS, and SLI

Boys: SLI, HRHS and CRHS

of Games: a full round robin from all entries and then semi finals and finals for all categories.

of Athletes: Singles (35), doubles (64), mixed doubles (32)

Convener's Comments:

Everything was awesome in terms of the sites being set up and cleaned up.

We are still facing issues with a lack of athletes. A senior girl doubles category should not only have 4 teams and 2 from the same school. This was also the case for Senior boys.

We are also having the same athletes playing in all 3 tournaments. I don't believe that this is in the spirit of SSIAA. The decision to go with single, double and mixed double was to help the smaller schools field full teams and not have the best athletes automatically playing all 3 tournaments.

We need to make sure our athletes are taught to be better sportspeople, there were several instances where coaches had to step in to be referees because of cheating and conduct unbecoming.

Correspondence:

All done via email.

Banners:

Boys: bantam CRHS, Junior CRHS, Senior CRHS

Girls: Bantam CRHS, Junior CRHS&SLI, Senior CRHS

Mixed: Bantam CRHS&SLI&HRHS, Junior HRHS, Senior CRHS

No ties breakers were done on the tournament days.

Recommendations:

Need more athletes.

Convenor's End of Season Report

Sport: Basketball

Level of Competition: Junior and Senior, Boys and Girls

Convenor: Mike Languay

Participating Schools: CRHS, CVR, HRHS, MVHS, SJHS

Convenor's Comments:

- An unfortunate end to the season with COVID-19 killing our playoffs but almost all league games had been played at least.
- Who knows what basketball will look like in Fall/Winter or if it will even be possible.
- Competitive games throughout the leagues for the most part.
- There is still a noticeable difference in the sportsmanship in SSIAA games vs RSEQ games for the better. Tons of cooperation from coaches/Athletic Coordinators during the season also, especially with multiple games having to be rescheduled. Thanks!!
- The move to home and home week day games was a great improvement for almost everyone. Counting RSEQ games for both leagues standings allowed all to manage the game load effectively and **probably kept the league alive going forward.**
- Still some uncertainty as a couple of teams were absent or had to withdraw.
- Nice to have St. Johns in both Junior categories.

Correspondence:

Lots of emails with coaches and athletic coordinators and multiple referees associations.

Results:

No playoffs. Regular season champions declared league champions.

- Junior Girls Champions: St. Johns
- Junior Boys Champions: Heritage
- Senior Girls Champions: Chateauguay Valley
- Senior Boys Champions: Heritage

Recommendations:

- Maintain Home and Home Weekday schedule.
- Try to schedule SSIAA prior to RSEQ to facilitate quadruple headers
- Discuss possibility of selecting All Star Teams for each category at the Spring Advisory

Sport: Cross Country

Convenor: Danielle René and Chantal Gagnon

Participating Schools: 17 schools: Boucherville, Cedar Street, Courtland Park, Good Shepherd, Greenfield Park International, Harold Napper, Harold Shepherd, John Adam, Mount Bruno, Mountainview, Royal Charles, St-Jude, St-John, St-Lambert, St-Lawrence, St-Mary's, William Letter

of Races: 8

of Athletes: 728

Convenor's Comments: What a beautiful day for a cross country run! Races ran smoothly and on schedule. The addition of a 'gate' to enter the running area helped with student traffic at the result tables tremendously. Ropes were also added near the washrooms and at the finish line, but this didn't seem to deter some excited parents who needed more reminders than the students! The sound system was set up near the washroom area so there were no problems with students playing with the long extension cord that used to cross over the running area. Sylvain Racette and Kim Barnes came to watch the races and present the banners at the end of the day. This tournament requires the help of many people who are not necessarily mentioned as official conveners. Many thanks go out to Steven Chan, Chris Cloutier, Mel Hughes and their St-Lambert International Cross Country Students for their help, and providing us with such a keen and responsible group of students! Thank you to Steve Venne for lending us your sound system and voice for the competition. Thank you to our SSIAA alumni Laurent Boulanger and Christian Richer for their help with the start line and results table. Thank you to Sean Geary for your help at the finish line. Thank you, the coaches, for your work and cooperation with your students, for providing parents for the finish tables and keeping the mountain clean upon departure!

Correspondence: Reservations were done with Parc du Mont St-Bruno. Correspondences with Steven Chan to solicit the Chambly Academy cross country team's help with the races. E-mails of thanks to Steven Chan and his cross country team, Steve Venne, Laurent Boulanger, Christian Richer, Sean Geary, Mr. Sylvain Racette and Mrs Kim Barnes,

Results: See attached result sheet

Recommendations: Continue holding the meet at St-Bruno. Participating schools must send their registrations, as well as cycle 3 numbers, in before the deadline so that divisions may be set before the race day. Keep using and adding retaining ropes for crowd control!

Convener's End of Season Report

Sport: Flag Football

Level of Competition: A

Convener: Jim Haggith, Jay Vena

Participating Schools: St. Mary's School, William Latter, Good Shepherd, John Adam, Courtland Park and Harold Napper (boys only)

Correspondence:

Results:

Place	Boys	Girls

2	William Latter	John Adam
3	Courtland Park	Good Shepherd
4	St. Mary's	St. Mary's
5	Good Shepherd	Courtland Park
	Harold Napper - Participation	

Recommendations:

Points of discussion:

1. Can players run or kick to score a conversion? Rules don't specify.
2. Is it a dead ball if the ball is touched or dropped on a kickoff return?
3. QB one run only?
4. Referees found danger in players spinning to avoid having flags taken.
5. Punt should be announced, no rusher.
6. Rules need to be updated and sent out.
7. Referees are paid not enough.

CONVENER'S END OF SEASON REPORT

SSIAA Flag Football – Girls B division

Date : Friday October 25th (Ped Day)

Convener: Jillian Morin

Participating schools: Terry Fox, Boucherville, Mountainview, Royal Charles

Number of teams present: 4

Number of participating students : 55

Number of games played: 8 x 30 min games

Type of tournament : Round robin in the morning then a final and consolation in the pm.

Results: 1er place: Royal Charles
2e place: Boucherville
3e place: Terry Fox
4th place: MTV

Comments: Tournament went smoothly at Mountainview. Referees were great but there were some inconsistencies about the final 3 plays after a minute that should be clarified next time.

Correspondance: The schedule was sent to the participating schools by email

CONVENER'S END OF SEASON REPORT

SSIAA Flag Football – Boys B division

Date: Thursday October 24th 2019

Convener: Jillian Morin

Participating schools: Terry Fox, Mountainview (2 teams), Boucherville, Royal Charles

Number of teams present: 5

Number of participating students 65

Number of games played: 10 x 30 min games

Type of tournament : Round Robin tournament

Results:

- 1st place: MTV 1
- 2nd place: Boucherville
- 3rd place: Royal Charles
- 4th place: Terry Fox
- 5th place: MTV 2

Comments: Tournament went smoothly at Mountainview. A few rules that needed clarification: is it the position or the person or the position that counts as a run (for example if the QB changes to RB). Can the RB run twice? When snapping the ball and the ball goes behind the QB, does the next play start where the ball landed or is it a loss of a down and they start back where they initially snapped the ball. When running with the ball, the arms should be up so that there is no blocking of the flags. Suggestion would be to only 1 run next year.

Correspondance: The schedule was sent to the participating schools by email

Commentaires des organisateurs:

Le tournoi s'est très bien déroulé. L'horaire prévu a été respecté. Lorsque 10 équipes, nous jouons des matchs de 12 points. Si 8 équipes, devrait être des matchs de 15 points. À ajuster selon le nombre d'équipes.

Les professeurs des différentes écoles ont été efficaces avec leurs élèves et ont été de bons responsables de plateaux pour les différentes disciplines (simple garçons et filles, double garçons, filles et mixtes).

Les installations de Centennial sont très bonnes pour la tenue d'un évènement sportif comme le nôtre, comprenant autant de participants à la fois. Seul bémol, les élèves du secondaire qui viennent et repartent dérangent quelque peu le déroulement. L'emplacement Édouard-Montpetit est meilleur, mais plus couteux et stationnement payant.

Recommandations:

Changer la date du tournoi pour l'avoir dans une journée pédagogique. Aussi, dernière semaine compliqué avec les concerts de Noël.

Avertir les élèves, avant l'arrivée, qu'ils ne peuvent pas pratiquer sur les côtés. Aussi, les volants Mavis 350 sont utilisés pour les parties et de les laisser sur le terrain à la fin de de chacune partie.

Ne pas arriver trop d'avance, il y a une congestion énorme et c'est long l'attente pour les élèves qui arrivent parce qu'ils ne peuvent pas pratiquer et ne peuvent qu'attendre.

Nous allons le rappeler, mais si par malchance un élève est absent lors de la journée et qu'il n'est pas remplacé, toutes ses parties seront perdues. Si l'élève fait partie d'une équipe de double 2 options s'ouvrent à l'enseignant :

1 : Le joueur de simple vient maintenant prendre la place du joueur de double et les parties de simple sont toutes perdues. Vous sacrifiez le simple.

2 : Le joueur en double ne joue pas ET toutes les parties de double sont perdues.

À discuter : - Que faire si un élève se blesse en cours de parties.

- Les élèves ayant oublié leurs souliers, peuvent-ils jouer ??!!! En bottes ???

Date : Tuesday February 4th

Convenor: Jillian Morin

Participating schools: Terry Fox, Boucherville, Mountainview, Royal Charles, St-Jude

Number of teams present: 5

Number of participating students : 60

Number of games played: 10 x 30 min games

Type of tournament : Round robin

Results:

- 1st place: Terry Fox
- 2e place: Boucherville
- 3e place: MTV
- 4th place: Royal Charles
- 5th place: St-Jude

Comments: Tournament went smoothly at SLI. Other referee was a sec 5 student from SLI who did his best. We made sure that Les was the referee for all of the 'important' games.

Correspondance: The schedule was sent to the participating schools by email

CONVENER'S END OF SEASON REPORT

SSIAA Basketball Boys B division

Date: Monday Feb 3rd (PED DAY)

Convenor: Jillian Morin

Participating schools: Terry Fox, Mountainview (2 teams), Boucherville, Royal Charles

Number of teams present: 5

Number of participating students 65

Number of games played: 10 x 30 min games

Type of tournament : Round Robin tournament

Results:

- 1st place: Boucherville
- 2nd place: MTV 1
- 3rd place: Terry Fox
- 4th place: Royal Charles
- 5th place: MTV 2

Comments: Tournament went smoothly at SLI. One of the referees had to drop out the weekend before because of an injury so we had a student teacher take his place. Should have made sure that Les Hughes was the referee for all of the 'important games' for future tournaments.

Correspondance: The schedule was sent to the participating schools by email

CONVENER'S END OF SEASON REPORT

HANDBALL

S.S.I.A.A.
GIRLS & BOYS
2019 REPORT

CONVENER: Sam Sturgeon

SCHOOL: St. Jude

NUMBER OF GAMES PLAYED: Boys 9, Girls 9

NUMBER OF TEAMS (BOYS AND GIRLS): Boys 6, Girls 6

PARTICIPATING SCHOOLS:

St. Lawrence (Boys x2, Girls x2), Harold Napper (Boys x2, Girls x 1)
St Jude (Boys x1, Girls x2) St. Johns (Boys x1, Girls x1)

CONVENER'S COMMENTS:

The handball rules were updated with all the changes added from since it was published in the handbook 2.0 as well as translated in English, in order to have the most amount of clarity possible when it comes to the rules.

On November 21st, for the boys' tournament, we played games of 30 minutes with alternating between 2 pools throughout the day to give every team a break in between games. There was a consolation game, 3rd and 4th place game, and a finals game to wrap everything up.

The girls' tournament ran smoothly on November 22nd with the same format as the boys.

Boys:

Harold Napper 1 - 1st place
St Lawrence 1 - 2nd place
Harrold Napper 2 - 3rd place
St. Johns - 4th place
St. Jude - 5th place
St. Lawrence 2 - 6th place

Girls:

St. Jude 1 - 1st place
St. Lawrence 1 - 2nd place
Harrold Napper - 3rd place
St. Johns - 4th place
St Jude 2 - 5th place
St. Lawrence 2 - 6th place

CORRESPONDANCE:

Thanks to Azziza for refereeing the girl's tournament.

RECOMMENDATIONS:

- 1) Recommend we clarify the up and down rule: Regular handball it counts as 2 steps, in our handbook, up and down is an automatic travel.
- 2) Getting referees was a complete nightmare. There are 3 referees (ex Phys. Ed. teachers) for the AA, A, and B categories, and that's not enough. Handball Quebec only have people available in the evenings. Possible solutions include paying referees more (to compete with a substitution pay to get a Phys. Ed. qualified sub to referee) or every coach present referees a game that they are not coaching. "No" is not an option. Otherwise we simply won't have referees.

Elementary Handball A

Participating schools:

- John Adam
- Mount Bruno
- Good Shepherd
- William Latter
- Courtland Park
- St-Mary's
-

Comments:

The tournament was held at two sites, William Latter and Good Shepherd. Each site held a double round robin with 3 teams. games held at William Latter applied the rule change for restarting after a goal with the goal tender throwing the ball back into play, whereas at Good Shepherd the original rule of restarting at center after a goal was maintained. Finals were held at Good Shepherd and after discussion the original rule to restart at center was used. The teams at both schools seemed well prepared and the skill level was very good. Due to renovations and electrical work being done our outlets were misbehaving so we decided to have the referees keep time, which also seemed better because in the cases where there were injuries or time outs (or had a team chosen to waste time while setting up at center after a goal) the referee was in control and could himself stop the time or add time.

Correspondence:

Christian Richer sent us an e-mail Friday, November 29, 2019.

“Bonjour, j’ai été vraiment impressionné par le niveau de jeu lors des finales. Bonne fin de session à tous!”
